1. Attached is a file which, in effect, constitutes an application for employment and background information from [REDACTED] which was forwarded to me without comment by General Donovan.

2. I do not know [REDACTED] but I note he was with OSS in 1945 and presumably the Agency has some record of him.

3. While he took a law degree last year, it appears he has never practiced and consequently does not have the type of experience I am interested in for my office.

4. I have acknowledged receipt of this to General Donovan but have not communicated with [REDACTED]
